Davis, et al. v. City of New York, et al., 10-CV-0699 (AT),
Recommendation Regarding Training Materials for Housing Bureau Members

Dear Judge Torres,

I am pleased to submit my recommendation for the following:

a.   Interior Patrol of Housing Authority Buidlings: Lesson Plan

b.   Housing One-Day Training Scenarios:

    i.   Lobby Trespass Scenario
   ii.   Stairwell Trespass Scenario
  iii.   Shots Fired Ingterior Patrol Scenario
   iv.   Roof Trespass Scenario

The settlement in *Davis v. City of New York* (Dkt. No. 339) requires that the NYPD

provide in-service training so that NYPD members are familiar with the posted rules and

regulations relating to New York City Housing Authority ("NYCHA") properties and the proper

manner of performing interior patrols that respect the rights of NYCHA residents and guests.

See Revised Exhibit E to *Davis* Settlement Stipulation, Dkt. 329-3. The parties in *Davis* agreed

that a more extensive training for all Housing Bureau officers that included the lessons of Exhibit

E but also included other topics critical to Housing Bureau members would be beneficial. The

training now contemplated has been expanded from a 4- minute lesson to a full day of training, including a number of role-play scenarios.

The parties have worked diligently to resolve their differences concerning this training. I believe that the proposed training materials meet the requirements of the court's order approving the settlement in *Davis*. The parties in *Davis* have informed me that they support the approval of these training materials.

Respectfully submitted,
